Services we provide

Vow Financial is one of Australia's largest finance aggregators with a national network of more than 800 brokers. Brokers within the group assist clients with various credit products including home loans, investment loans, personal loans and consumer leases.

We will help you to choose a loan or lease which is suitable for your purposes. Additionally, we will provide you with information on a broad range of financiers and products. Once you have chosen a loan or lease that is suitable for you, we will help you to obtain an approval.

Our panel lenders

We source finance from a panel of financiers. The financiers named below are the six financiers with which we conduct the most business.

- Commonwealth Bank
- ANZ
- NAB
- Westpac
- St George
- Suncorp

We will need information from you

Under the NCCP Act, we are obliged to ensure that any loan or principal increase to a loan we help you to obtain, or any lease we help you to enter, is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation;
- take reasonable steps to verify that financial situation.

Credit will be unsuitable if at the time of the assessment, it is likely that:

- you could not pay or could only pay with substantial hardship;
- the credit will not meet your requirements and objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason we must ask you to provide a significant amount of information. It is therefore very important that the information you provide us is accurate.

We must provide you with a copy of our preliminary credit assessment of your application if you ask within seven years of when we assist you. We are only required to give you a copy of the credit assessment if we give you credit assistance.

If we arrange a loan for you to purchase or refinance real estate, remember you must make your own enquiries about the value of the real estate and its potential for future growth. Although we may obtain a valuation, that is for our own use and you should not rely on it.

Fees payable by you

Vow Financial does not charge you for the services it provides. However, our credit representatives sometimes charge fees for their services. More details about the fees payable by you will be documented in the quote. You may also obtain more information from your credit representative about how these fees and charges are worked out and a reasonable estimate.

You may also be required to pay the lender's application fee, valuation fee, government charges and other transaction fees.

Commissions received by us

We may receive commissions from the lenders and lessors who provide finance for you as our customers. These are not fees payable by you. You may obtain from us information about a reasonable estimate of those commissions and how the commissions are worked out.

Commissions payable by us

Vow Financial and our credit representatives source referrals from a broad range of sources. For example, we may pay fees to call centre companies, real estate agents, accountants, or lawyers for referring you to us. These referral fees are generally small amounts and accord with usual business practice. These are not fees payable by you. You may, on request, obtain a reasonable estimate of those commissions and how the commission is worked out.
